

# ELEUTHERA TRAINING ENTREPRENEURIAL PROGRAMMING

Sponsored by: Disney Cruise Lines

# Training Course Overview

The Eleuthera Training and Entrepreneurial Programming is designed to engage both startup and existing business owners on Eleuthera in comprehensive business and entrepreneurial development. It considers the creation of an ecosystem tailored to the forecasted need by Disney Cruise Lines to engage qualified vendors that meet a predetermined standard of service delivery.

Over the course of 16 weeks, participants will be exposed to a myriad of critical concepts from 'Staying Engaged' to 'Leveraging Innovation & Technology' in an effort to inspire and facilitate both creative and analytical thinking.

# Training Goals

## Impact

to create a lasting economic impact to the Eleutheran community by creating sustainable economic opportunities

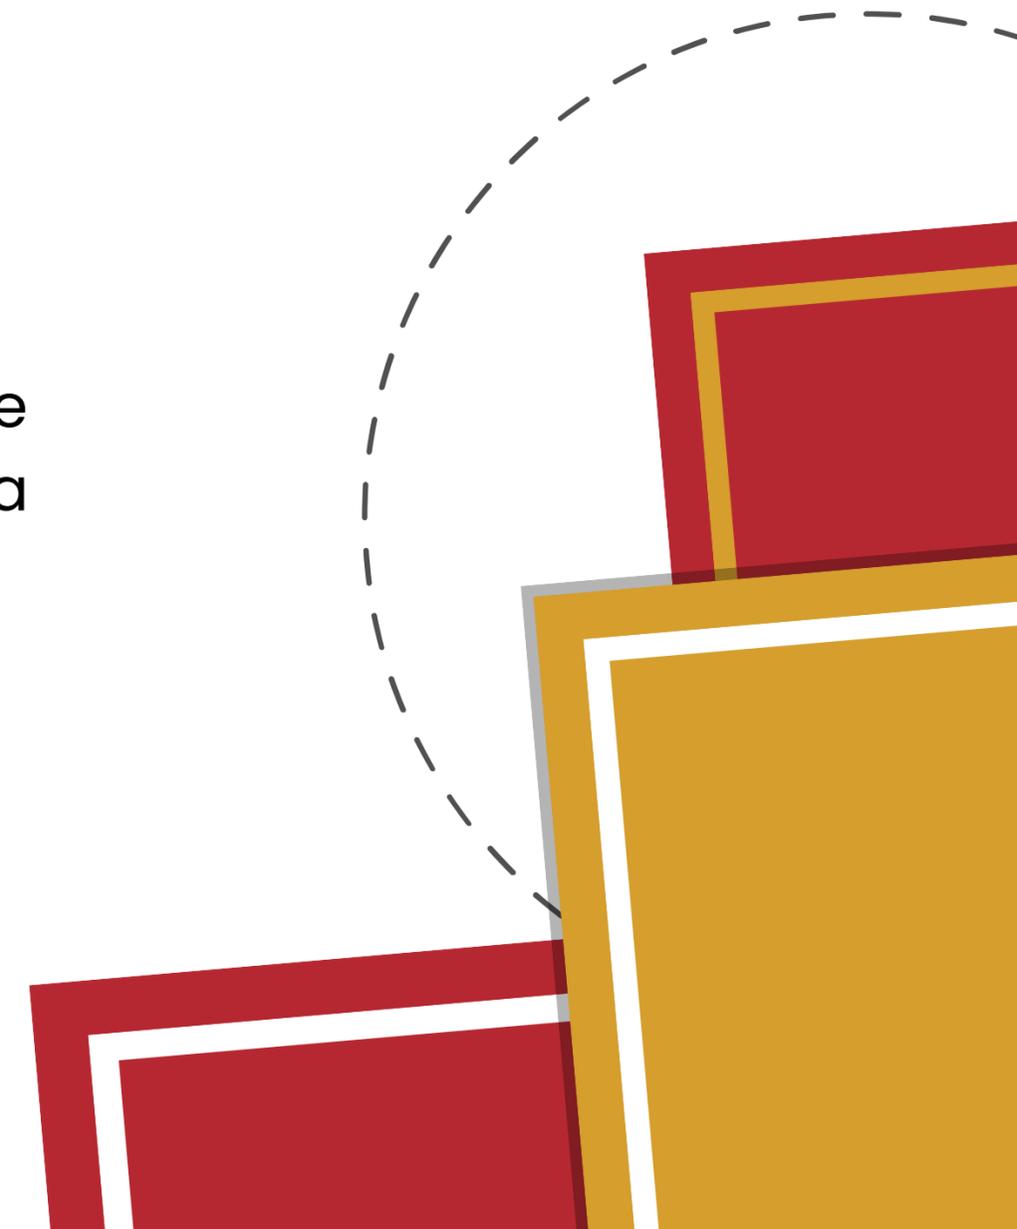

## Growth

to increase the ability of the entrepreneurial sector to provide employment, diversify wealth and drive the development of a robust and resilient economy

## Readiness

to prepare businesses on Eleuthera for potential partnerships with Disney Cruise Lines providing products or services that meet the standard criteria of the company

# Participant Eligibility

**01**

Must be an existing or startup business whose operations take place on **Eleuthera**.

*Open to all business industries.*

**02**

Must be a **Bahamian-owned** business.

**03**

As space is limited, one must be able to **commit to attend** the entire training programme.

# Training Programme Tiers

## **Introductory**

This cohort covers the fundamentals of best business practices at a beginner's level.

## **Intermediate**

This cohort is for entrepreneurs that have fundamental knowledge of business practices and in need of training and support to advance business development.

## **Advanced**

By the end of this cohort, entrepreneurs should have an extensive understanding of business operations and advanced readiness on the track to doing business with Disney.

# Process

---

## 1. Registration

---

Visit our website at [www.accessaccelerator.org](http://www.accessaccelerator.org) to complete the Eleuthera Training Entrepreneurial Programme application form. Upon submission, the registrant will receive an email acknowledging receipt of the application along with the next steps.

## 2. Notification

---

If a registrant meets the minimum requirements to participate in this training course, a follow up email will be sent with further information about location OR login instructions.

## 3. Attendance

---

Participants are expected to commit to and attend all sessions for the 16-week duration of the course. In order to satisfy the course requirements, participants can miss no less than 14 weeks of the total sessions per cohort.

## 4. Course Completion

---

Upon successful completion of the training programme, all participants will receive an A<sup>2</sup> Certificate of Completion. Participants will also have access to A<sup>2</sup>'s Business Advisory Services and Mentorship Programme in an effort to provide ongoing support.
